**Report on Alumni Meeting in
Trinity College of Engineering Research
Date 04th May 2024**

Alumni Meeting of Trinity College of Engineering Research , Pune was arranged on 04th May 2024. For the concern program all eligible student are invited and informed by call ,message, Emails and Google form for all batch.

As part of tradition in Trinity College of Engineering Research, have arranged wonderful cultural program.

On behalf of Trinity College of Engineering Research, Pune (Principal Dr.A.B.Auti and all Department HODs shared their views).As well as Alumni also share their views and gives important suggestion to our students regarding Training and placement.

For the concern program a huge response of students from all the departments was there.

Summary of Alumni Feedback and Action Proposed

Alumni Feedback points:

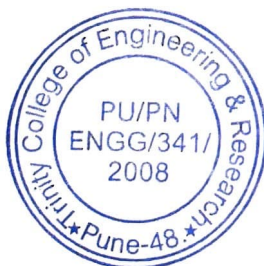

1. Technical seminars should be conducted by industrial experts.
2. Teaching should be more focused on practical based knowledge.
3. Should be more focused on self employment skill development.
4. Guest lecturers/ training program should be conducted to improve communication skill and English speaking skill of the students.
5. Students should be encouraged to learn more software related to industrial requirement.

Action Proposed:

1. All these Alumni feedback points had been discussed in departmental meetings as well as Principal Sir to take necessary actions.
2. Head of the department are planning for self employment skill development training program for the student.
3. HOD and Faculty members from department are going to suggest tools and techniques to student to improve communication.
4. Faculty members are instructed to make compulsion to the student to perform practical independently.
5. Faculty members having good software skill are instructed to plan training program.
