Report on Alumni Meet

Trinity College of Engineering and Research

Dated 05th April 2025

The Alumni Association of Trinity College of Engineering and Research organized "ALUMNI MEET 2025"- a programme to facilitate, consolidate and coordinate Alumni Activities at Trinity College of Engineering and Research on 05th April 2025. The alumni meet is to reconnect with the Alumni and celebrate their success and various achievements. The Alumni started arriving in college by 4.30 p.m. and they were received by the registration team and they have been asked to fill the registration form. For the concern program all eligible students are invited and informed by call and mail conversation from batch 2012-13 to 2023-24.

On behalf of Trinity College of Engineering Research, Pune (Principal Dr. A.B. Auti and all Department HODs shared their views). As well as Alumni also shared their views and gives important suggestion to our student.

For the concern program a huge response of students from all the departments was there.

Summary of Alumni Register for Alumni Meeting

Sr No.	Branch	Number of students
1	Civil	45
2	Mechanical	40
3	Electrical	71
4	Computer	20
5	IT	29
6	ENTC	11

They shared their experience with current batch students and guided them for their future. As token of appreciation alumni students were felicitated with memento.

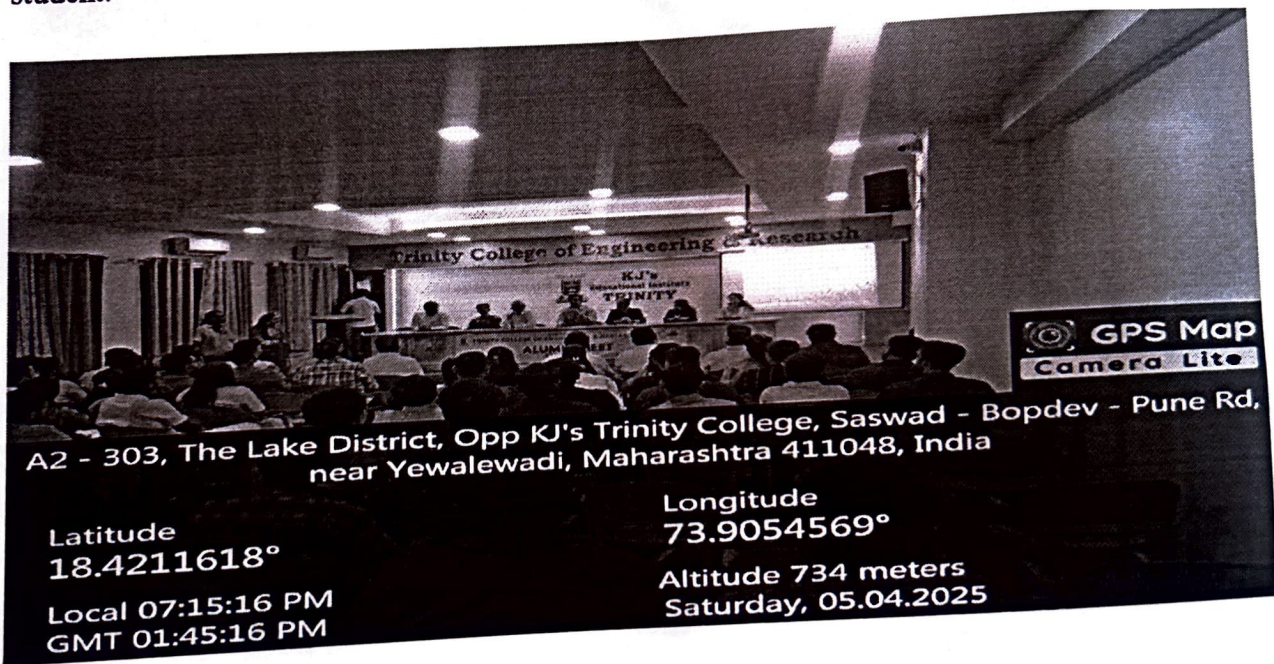

Summary of Alumni Feedback and Action Taken

Alumni Feedback points:

1. Focused on soft skill development of students and try to get them placed
2. For increasing placement of the student Certified training program should be arranged for student on soft skills.
3. Guest lecturers/ training program should be conducted to improve communication skill and English speaking skill of the students.
4. College should arrange pool campus placement drives for graduated students.

Action Taken:

1. Training and placement officer and Head of the department are planning certified training program for the students.
2. Training and placement officer now onwards focus on pull campus placement drive arrangement for MNC companies in campus for present students.
3. Faculty members having good software skill are instructed to plan value added program for student.
