➤ National Voter's Day (25/01/2023)

National Voter's Day is celebrated on 25th January every year in India. It is the biggest festival of democracy after general elections. In any democratic country, the common people i.e. voters play the biggest role in forming the government. Voting is the right and duty of every responsible citizen. The number of youth in our country is high, so it is necessary for the youth to be aware of voting for the bright future of the country. With this aim in mind, our college organized a voter oath program for all students on 25th January. At this time, the NSS volunteers went to each class and given oath to students of the class to cast the vote.
