

International conferences enhance research culture, innovation, technical knowledge, and global collaboration in engineering colleges while improving academic reputation and publication opportunities.

Conferences in engineering colleges promote research, innovation, technical knowledge, industry interaction, and academic collaboration among students and faculty.

International /National Conference Conducted

Sr. No.	Conference Title	National/International
1	International Conference On Recent Advances In Science, Engineering And Management (SEM-2024)	International
2	International Conference On Global Research Trends In Higher Education (ICGRTHE-2023)	International
3	International Conference On Science, Engineering & Technological Innovations (ICSETI-2023)	International
4	National Conference On Multidisciplinary Approaches In Arts, Social Sciences & Humanities (ASH-2023)	National
5	National Conference On Multidisciplinary Approaches In Engineering, Science & Management (ESM-2023)	National
6	International Multidisciplinary Conference On Research, Technology & Engineering [ImCReTE 2022]	International

(ISBN: 978-81-999684-1-7)

ImCReTE-2026, organized by Trinity Academy of Engineering on 11th April 2026, is an international conference that provides a platform for academicians, researchers, industry experts, and students to share innovative ideas and research in Science, Engineering, and Technology.

Chief Guests & Guests of Honor

Dr. Eknath B. Khedkar
Vice President, Ajeenkya DY. Patil Group, Pune

Dr. K. S. Charak
Pro-Chancellor, Langbustech University, USA

Dr. Suhas Deshmukh
Director, NCVET, New Delhi

Keynote Speaker

Dr. Ranjana. U.K. Piyadasa
University of Colombo, Sri Lanka

Research paper details:

Abstract Submitted: 275

Abstract Shortlisted: 225

Paper presented in Offline Mode: 148

Paper presented in Online Mode: 54

Total Paper Selected for Proceeding : 202

Conference speeches were delivered by the KJEI-President, Director- Executive, Director-Technical and Principal-TAE, highlighting the importance of research, innovation, academic excellence, and industry-oriented learning/

SEM Conference 2025 promoted research, innovation, technical knowledge sharing, and collaboration among academicians, researchers, industry experts, and students.

International Conference-2025

KJ's Educational Institutes
Trinity Academy of Engineering, Pune

International Conference on
Recent Advances in Science,
Engineering and Management (SEM-2024)

Organized By:
Trinity Academy of Engineering
In association with IARDO & Conference World

Date: Saturday 30/11/2024
Time: 10:00 Am

The Conference Proceedings were officially released by the Chief Guest, Keynote Speaker, and members of the Conference Committee during the inaugural session. The release ceremony highlighted the collective research contributions, academic excellence, and collaborative efforts of researchers, faculty members, and participants involved in the conference.

The conference encouraged interdisciplinary collaboration, enhanced presentation and communication skills, and created awareness about emerging technologies and recent advancements in science and engineering.

International Conference-2024

Participants presented their research papers, innovative ideas, and project outcomes before the esteemed guests and jury members during the technical sessions. The presentations encouraged academic interaction, knowledge sharing, and constructive feedback from experts. A sample copy of the participation certificate was also provided to the participants for reference and documentation purpose
