

A Design Thinking Project Competition is an innovation-based event conducted for first-year engineering students to encourage creative problem-solving, teamwork, and user-centered project development. Students identify real-life problems and develop innovative, practical, and sustainable solutions using the design thinking approach.

## Design thinking & Idea lab for Poster/Model Presentation

### •Outcomes

- ❑ Enhanced creative thinking and problem-solving skills among students.
- ❑ Improved ability to convert ideas into effective posters and working models.
- ❑ Encouraged innovation, teamwork, and hands-on learning.
- ❑ Strengthened presentation and communication skills.

KJ Educational Institutes , Trinity Academy of Engineering organized its flagship national-level technical festival **GRAVITY 2K26** on 20–21 February 2026 under the theme “**Youth Empowerment for a Sustainable Bharat.**” The event witnessed participation of nearly 2,000 students forming 529 teams from cities such as Chennai, Jabalpur, Goa, Mumbai, and Pune, creating a vibrant platform for innovation, competition, and collaboration.

## Technical Project Events (Gravity-2026)

### Inauguration

### Participants Count:

- Pitch Perfect: 83 teams
- Quadrant: 250 teams
- Nexus: 166 teams
- Cineclash: 30 teams

**Total: 529 teams**

The **Pitch Perfect** event under **Gravity** at Trinity Academy of Engineering plays a significant role in promoting innovation, entrepreneurship, creativity, and startup culture among engineering student.

## Pitch Perfect

### Participants Count for Pitch Perfect :

**Registered:** 89 teams

**Participated:** 83 teams

**Winner:** VIT-50K

**Runner up:** Pimpri Chinchwad Polytechnic College, Akurdi-30K

**Runner up:** Yashwantrao Mohite College of Arts, Science and Commerce-20K

### Outcome:

Participants gained exposure to startup pitching, business strategies, and real-world problem identification. Selected teams received an opportunity to participate in the National Level Innovation Competition.

**Quadrant** is one of the major technical and innovation-based events conducted under the Gravity platform at Trinity Academy of Engineering. The event is designed to encourage students to showcase their technical knowledge, analytical thinking, creativity, and problem-solving abilities through competitive activities and challenges.

Quadrant

**Registered:** 190 teams

• **Participated:** 250 teams

**Winners:**

• **Winner:** VIT (Bug2Build)-10K

• **Winner:** KJCOEMR (Treasure Hunt)-10K

• **Winner:** Trinity Polytechnic Pune (The Podium)-

• **Winner:** BKPS College of Architecture (Infrathon)-10K

• **Winner:** KJCOEMR (Frame Forge)-10K

• **Winner:** TCOP & RJSPM College of Pharmacy (PharmaSpark)

**Outcome:** Students enhanced quick decision-making and accuracy under time pressure.

**Nexus** is an important event under the Gravity initiative at Trinity Academy of Engineering that focuses on creating a strong connection (“nexus”) between students, technology, innovation, and industry practices. The event serves as a platform for students to collaborate, exchange ideas, and demonstrate their technical and creative talents through various competitions and activities..

## Technical Event -Nexus

### Participants Count for Nexus:

- **Registered:** 168 teams
- **Participated:** 166 teams

### Winners:

- **Winner:** VIT (Valorant)-10K
- **1<sup>st</sup> Runner up:** VU (Valorant)-5K
- **Winner:** MMIT (BGMI)-10K
- **1<sup>st</sup> Runner up:** D.Y. Patil (BGMI)-5K
- **Winner:** MMIT (FreeFire)-10K
- **1<sup>st</sup> Runner up:** HRM (FreeFire)-5K

**Outcome:** Strategic thinking, quick decision-making, and problem-solving abilities while improving reflexes, focus, and hand-eye coordination.

**Gravity 2026** celebrated innovation, creativity, and technical excellence by awarding a total prize pool of ₹4,00,000 to outstanding student teams across various technical, research, coding, design, and innovation competitions organized at Trinity Academy of Engineering.

## Gravity 2026- Prize Distribution

Prize distribution of ₹4,00,000 successfully completed for all events. Winners were awarded cash prizes, trophies, and certificates.

- **Pitch Perfect: ₹1,00,000**
- **Quadrant: ₹97,000**
- **Nexus: ₹45,000**
- **Cine Clash: ₹37,000**

**Prize  
Distribution**
